Specifications

Power	520W
Efficiency STC	19.34%
Dimensions	2246x1197x3 mm
Connectors	MC4 compatible
Product/Power Warranty	12/25 years
Tension Système Max	1500V DC (IEC)

CREA WATT Values

CreaWatt supports social inclusion by collaborating with people with disabilities, promoting the reintegration of incarcerated individuals in France, and providing opportunities for professionals undergoing career transitions. By choosing Luxsiol, our customers contribute to these values of social responsibility.

AXIUM
GROUP
